Your guide to the places you will visit

Jerash
One of the best-preserved Roman cities outside Italy: Hadrian's Arch, the Oval Plaza, the colonnaded street and two theatres.

- There is little shade – visit in the morning or late afternoon and wear a hat.
- The site is large and the stones uneven: comfortable shoes help.

Ajloun Castle
A hilltop castle built in the 1180s by one of Saladin's commanders to guard the iron mines and the routes of the north, with views over the Jordan Valley.

- The stairs inside are steep and uneven.
- The forest around Ajloun is green and cool in spring.
