What to bring

Spring (March–May) and autumn (September–November) are the most comfortable. Summers are hot in Petra, Wadi Rum and the Dead Sea.

What to wear
Light, modest clothes; shoulders and knees covered at religious sites. Good walking shoes, and a warm layer for desert evenings.

Money
The Jordanian dinar (JOD). Cards are widely accepted in hotels and restaurants; keep some cash for small shops and tips.

Water
Drink bottled water, and carry 1.5–2 litres on long walking days.

Power & time

Your guide to the places you will visit

Madaba
The city of mosaics. St George's Church keeps the 6th-century mosaic map of the Holy Land, and the archaeological park has more mosaic floors.

- Shoulders and knees covered inside churches.
- Mosaic workshops in town show how the craft is still made by hand.

Mount Nebo
Where Moses is said to have seen the Promised Land. The Memorial Church of Moses keeps fine mosaics, and the terrace looks over the Jordan Valley and the Dead Sea.

- Clear mornings give the widest view.
- It can be windy on the summit, even in spring.

The Dead Sea
The lowest point on land, about 430 m below sea level. The water is so salty that you float without trying.

- Don't shave the day before, and keep the water away from your eyes.
- Float on your back – never swim face-down. Rinse with fresh water afterwards.
